

Helping People with ALS is Just a Click Away!

We are very grateful to you for your support in the past, and very much need and appreciate your support for our new fundraising program.

We are excited to share with you the new ALS Society of Ontario toolbar. This toolbar serves as a new way for us to generate much **needed funds for ALS and comes complete with a link to the ALS Society of Ontario's Shopping Mall**, with over 1,500 stores to shop from. There is **no cost to us or to you**, and each and every purchase you make raises money to support us. Take a few moments to browse the mall and see what shops and products are available!

Included within this toolbar is a **Yahoo! powered search engine**, that will not replace your existing toolbars. The features on the toolbar are all designed to help us raise funds in a non-intrusive way. **THERE IS NO COST TO YOU.** There are no pop-ups, adware, spyware or tracking and the users' privacy is protected and respected. It is easy to download to Internet Explorer or Firefox...just click the banner below.
